Hi Piyush,

Hope you're doing great! I just wanted to drop a quick note to say hello and see how things are going on your end. It's been a while since we caught up, and I'd love to hear what you've been working on lately.

Let me know if you're free sometime this week — maybe we can hop on a quick call or grab a coffee if you're nearby.

Take care and talk soon, Pro

Hey Pro,

So great to hear from you! Thanks for checking in – I'm doing really well, and hope you are too!

You're right, it has been a bit! Things have been pretty busy on my end, keeping me on my toes with a few exciting projects. I'd absolutely love to catch you up on everything and hear what you've been working on too!

A quick call or grabbing a coffee sounds perfect. I'm generally quite flexible this week, so just let me know what day/time works best for you.

Looking forward to hearing from you!

Best, Piyush
